4. Some of the prospective bidders had requested for slight modification in payment procedure and wanted payment to be released centrally at Zonal Office level as auditors would find it very difficult to keep a track and follow it up for payment from hundreds of branches. They had requested for payment from Zonal offices instead. Accordingly, it has been agreed for release of payment from the Zonal Offices instead of branches.

Rest of the terms and conditions of the Notice Inviting Tender will remain unchanged. -
