- The Monetary Policy Committee (MPC) of the Reserve Bank of India (RBI) has kept the repo rate unchanged at 6.5 percent for the tenth consecutive time in its October meeting.
- The MPC has decided to change the monetary policy stance to 'neutral' and to remain unambiguously focused on a durable alignment of inflation with the target of 4 percent (with a leeway of 2 percentage points on either side), while supporting growth.
- Year-on-year Consumer Price Index (CPI) inflation rate for September 2024 is 5.49 percent. Corresponding inflation rate for rural and urban is 5.87 percent and 5.05 percent, respectively.
- The cumulative growth rate of Index of Eight Core Industries (ICI) during April to August, 2024-25 is 4.6 per cent as compared to the corresponding period of last year.
- Despite heightened geopolitical uncertainty and global trade tensions, India is well positioned to take advantage of its strong fundamentals of steady domestic consumption, strong manufacturing growth, high exports growth trajectory, softening inflation, high FOREX reserves, along with improving ease of doing business environment to position itself as the second largest economy in the Asia-Pacific region, the third largest in the World by 2030 and "Viksit Bharat" by 2047.

The IMF has updated its economic forecast for calendar year 2025 and has projected the growth for India for 2025 at 6.5 percent.

The RBI has kept its forecast for retail price inflation for FY 25 at 4.5%, with Q2 at 4.1%, Q3 at 4.8%, Q4 at 4.2% and for Q1FY26 at 4.3%.

The MPC has kept its growth projection for India's GDP at 7.2% for the financial year 2024-25.

*Changing the face of Rural Bangal*

## Recent Launches by UCO Bank in GFF 2024

**UPI Circle (issuer):** It allows an UPI user to make payment permission to trusted secondary users from the payer's account with minimum intervention and with adequate risk mitigations, an UPI user can set up partial and full delegation.

**UPI Life Autopay Top-up :** This feature ensures seamless small value transactions by automatically recharging an user's wallet when its balance falls below a pre-set threshold. It is providing ease of low value transactions to the customers

★★★★★  
"... Effortlessly able to register account & able to add beneficiaries..."

★★★★★  
"... Very smooth transfer of funds..."

★★★★★  
"... Option to seamlessly invest in mutual funds & create SIP through the app..."

★★★★★  
"... nowadays no need to visit the bank for any type of work..."

★★★★★  
"... by far the easiest and simplified banking app I've used..."
